

# COMMUNITY GROUP GUIDE

## RECALIBRATE Message Series

## Recalibrate Your Humility

For the week of January 12

1. What is one habit or area in your life where you've had to admit you were wrong and make a change? How did that decision impact you or those around you?
2. How does the Greek word *metanoia* (change your mind/go a different direction) reshape your understanding of repentance?
3. Can you think of a time when you felt the need to "reroute" in your life? What led you to make that change, and what was the outcome?
4. Read Acts 2:14-41. Peter made many mistakes yet was used by God to deliver a powerful message. How does his story encourage or challenge you in your faith journey?
5. Read 1 Corinthians 1:27-29. Why do you think God often chooses "unlikely" people like Peter (or others in the Bible like Sarah, Rahab, and Moses) to accomplish His purposes? What does that reveal about His character?
6. What are some barriers that make it hard for you to fully open up to God?
7. Read Psalm 139:1-6. David reminds us that God knows us completely and loves us fully. How does this truth encourage you to trust Him with the areas you might try to hide?
